

Link Your Personal LastPass Account to Your Business LastPass Account

Everyone does a personal chore during work hours, now and again. Keep your personal passwords out of your business password vault by doing the following:

#	Instructions	
1	In LastPass Business, on the left side menu, select “Account Benefits”.	
2	You might need to activate LastPass for Families. If so, click the Activate button	
3	You will see a Congrats! Message if you	

successfully activate the benefit.

Click the "Back to Account Benefits" button

4 Enter the personal email address you use for LastPass. You can create a free account using your personal email if you do not already have one. Then enter your email under “Families as a benefit.”

Your window will look like this:

Click “Link accounts.”

5 Enter your Master Password, then click “Link accounts” again
