The image shows a mobile application interface for configuring an Exchange ActiveSync account. At the top is a status bar with various icons and a battery level of 80%. Below this is a teal header with the text "Exchange ActiveSync". The main content area has a light gray background and contains the following elements: a title "Configure Exchange account in a few steps." with a cursor icon; a text input field containing "YOUREMAIL@YOURDOMAIN.COM"; a text input field containing "YOURPASSWORD"; and two checkboxes, "Show password" and "Set as default account", both of which are currently unchecked.
