How to record the day & night greetings

Note: You can only record the day and night greetings from station 100.

Follow these steps to record the greetings:

1. Press PGM
2. Dial 06
3. At this point, dial 001 to change the day greeting or 002 to change the night greeting.
4. You will hear a prompt that says "If you wish to leave a message press #;" when you are ready to begin, press "#" to start recording the greeting.

5. When you are done with the recording, press "Hold/Save" to stop recording and save it to memory.
