

How to find out what version of TDO you are running

Standard Operating Procedure –

Step #	Task	Screenshot
1	Login to TDO on a workstation or the server	
2	Click on the Help tab and then click on About TDO / Submit Ticket	 A screenshot of the TDO software interface. The top menu bar includes 'File', 'Main', 'Messaging', 'Imaging', 'Setup', and 'Help'. The 'Help' menu is open, showing options: 'Help Tools', 'Knowledge Base', 'Education', 'TDO Support Help', 'About TDO / Submit Ticket', 'TDO University', and 'EIE2'. The 'About TDO / Submit Ticket' option is highlighted with a red circle. Below the menu bar, there is a 'Last Name:' field with 'Downey' entered and a 'T1' checkbox.
3	Here is the version info
