How To Download Pictures Automatically In Outlook 2013 and above

In Outlook 2013 and above:

- Click the **File> Options**;

2. Click the **Trust Center** in the left bar;

Click the **Trust Center Settings** button in the **Microsoft Outlook Trust Center**

4. In the Trust Center dialog box, click the **Automatic Download** in the left bar. Uncheck the **Don't download pictures automatically in HTML e-mail messages or RSS items** option **Don't download pictures in encrypted or Signed HTML Email Messages**

This operation will permit Microsoft Outlook downloads pictures in all received email messages and RSS automatically.

5. Click **OK** buttons in each dialog box.
