

KB: How to JOIN a Windows 11 System to Entra ID

#	Instructions	
1	<p>Before joining the computer to Entra, make sure you've named the device according to our naming conventions and restart the computer if needed after doing so.</p> <p>Go to "Settings", "Accounts", then find "Access work or school"</p>	 A partial screenshot of the Windows Settings application, specifically the 'Accounts' section. The word 'Acco' is visible at the top, and a briefcase icon is shown below it, representing the 'Access work or school' option.
2	Click "Connect" next to "Add a work or school account"
