

# KB: How to JOIN a Windows 11 System to Entra ID

#	Instructions	
1	<p>Before joining the computer to Entra, make sure you've named the device according to our naming conventions and restart the computer if needed after doing so.</p> <p>Go to <b>"Settings"</b>, <b>"Accounts"</b>, then find <b>"Access work or school"</b></p>	 A partial screenshot of the Windows Settings application, specifically the 'Accounts' section. The word 'Acco' is visible at the top, and a briefcase icon is shown below it, representing the 'Access work or school' option.
2	Click <b>"Connect"</b> next to <b>"Add a work or school account"</b>	

		<p>Account</p> <p>Get access to things on this</p> <p>Add a work</p>
3	Do not log in to any account. Instead, find “ <b>Join this device to Microsoft Entra ID</b> ” at the bottom of the page. Click the link.	<p>These are full con</p> <p>Join thi</p> <p>Join thi</p>
4	Sign in using the administrator login that has permission to join computers to Entra
