

# Cybersecurity Awareness Training – Dark Web Monthly Reports

## What the report includes

#	Instructions	
1	The client receives this email notification. They need to click the button to download the report	 The screenshot shows an email notification. At the top, there is a blue header with the date '03/14'. Below the date, the text reads 'February Natural'. Underneath, there is a dark grey section with the text 'Hi Lisa', 'The latest breaches', and 'To view p download'. There is also a small icon of a person with a question mark and the text 'If there are problem'.
2	Once downloaded, there are several sections of interest	

3	Section 1 gives a few paragraphs of general "Dark Web" information	<ul style="list-style-type: none"> <li>• What is t</li> <li>• Purpose</li> </ul>
4	Section 2 shows the number of passwords exposed on the dark web over the last month and for all time	This is nothing to b about this. This is d
5	Section 3 gets into the Client's Dark Web Status	

		<p><b>3. Your Current D</b> February 2024</p> <p>Passwords Expos</p>  <p>This show</p>
6	Section 4 summarizes any current breaches for the month. If there had been a breach, the details would be here.	<p><b>4. Your Lates</b></p> <p>No breaches affec</p>
7	What do I do with this information?	If a password is exp used anywhere els
