

Cybersecurity Awareness Training – Dark Web Monthly Reports What the report includes

#	Instructions	
1	The client receives this email notification. They need to click the button to download the report	 The screenshot shows an email notification. At the top, there is a blue header with a calendar icon and the date '03/14'. Below this, the text reads 'February Natural'. The main body of the email is dark grey and contains the text 'Hi Lisa', 'The latest breaches', and 'To view p download'. There is also a small blue icon with an 'i' in a circle at the top left of the email content area, with the text 'If there are problem' next to it.
2	Once downloaded, there are several sections of interest	

3	Section 1 gives a few paragraphs of general "Dark Web" information	<ul style="list-style-type: none">• What is t• Purpose
4	Section 2 shows the number of passwords exposed on the dark web over the last month and for all time	This is nothing to b about this. This is d
5	Section 3 gets into the Client's Dark Web Status	

		<p>3. Your Current D February 2024</p> <p>Passwords Expos</p>  <p>This show</p>
6	Section 4 summarizes any current breaches for the month. If there had been a breach, the details would be here.	<p>4. Your Lates</p> <p>No breaches affec</p>
7	What do I do with this information?	If a password is exp used anywhere els
