d.

The image shows a screenshot of the LastPass login page. At the top, there is a navigation bar with a star icon, a three-dot menu icon, and a download icon. The LastPass logo is prominently displayed in red. Below the logo, there are two buttons: "LOG IN" on the left and "OR CREATE AN ACCOUNT" on the right. A dropdown arrow is visible to the right of the "CREATE AN ACCOUNT" button. The main form area has two input fields: "Email address" and "Master Password". The "Email address" field contains the placeholder text "Please enter a valid email address". To the right of the "Master Password" field is an "eye" icon for password visibility. Below the input fields is a large red "LOG IN" button with white text. Further down, there is a "FORGOT PASSWORD?" link and an "Advanced options" dropdown with a downward arrow. The background of the page is white, and the overall layout is clean and modern.

LOG IN      OR CREATE AN ACCOUNT
