C4	dr. 1	
Step	Task	Screenshot
#		
1	Open	
	Firefox.	
		with Google or enter address
	In the upper	
	right-hand	
	corner click	
	on the	
	puzzle piece	
	icon.	
2	If you just	
	installed	
	LastPass,	
	you can	
	leave a	
	check in the	
	box labeled	
	"Pin	
	extension to	
	toolbar" and	
	click "OK".	

	"Accept".	Set your permissions to strictly necessary and voluntary data collection to state   Strictly necessary data collection  Customer account data: Your email is needed to validate, create, and use for the purpose of providing, operating, and supporting the service, as we and security monitoring. You may also choose to provide identifiers such help maintain and support your account.  Customer content: Usernames, passwords, secure notes, website addressed data that we maintain on your behalf, as well as any other information your encrypted using our zero-knowledge security model.  Without this permission, the LastPass extension will be uninstalled and your collect data about how you use the LastPass extension (this may inconstructed at a data to operate, support, a best possible save and fill experience.  Opting out of the voluntary data collection doesn't affect the LastPass extension about our commitment to privacy and security, please we center.
7	Enter your email address and LastPass password.	

passwords
on the page,
you may see
a number
imposed on
top of the
LastPass
icon.
