

# Cybersecurity Awareness Training – Dark Web Monthly Reports

## What the report includes

#	Instructions	
1	The client receives this email notification. They need to click the button to download the report	<div><div> If there are problems</div><div><div> 03/14</div><div><b>February</b> <b>Natural Gas</b></div></div><div><div><b>Hi Lisa</b></div><div>The latest breaches</div><div>To view p download</div></div></div>
2	Once downloaded, there are several sections of interest	

3	Section 1 gives a few paragraphs of general “Dark Web” information	<ul style="list-style-type: none"><li>• What is t</li><li>• Purpose</li></ul>
4	Section 2 shows the number of passwords exposed on the dark web over the last month and for all time	This is nothing to b about this. This is c
5	Section 3 gets into the Client’s Dark Web Status	

		<div><div>3. Your Current D</div><div>February 2024</div><div>Passwords Expos</div><div><div>3</div><div>2</div><div>1</div><div>0</div></div><div><div>0</div><div>0</div><div>0</div></div><div>09/2023</div><div>This show</div></div>
6	Section 4 summarizes any current breaches for the month. If there had been a breach, the details would be here.	<div><div>4. Your Latest</div><div>No breaches affect</div></div>
7	What do I do with this information?	<div><div>If a password is ex</div><div>used anywhere els</div></div>
